

# Still using a legacy Nortel BCM or Norstar telephone system?

With Avaya's recent absorption of the Nortel line, there's never been a better time than now to upgrade your business telephone system to the most reliable on the market:

**Avaya IP Office**

## BIG SAVINGS ON AVAYA IP OFFICE

**BUSINESSPARTNER**

Cabco is pleased to offer significant savings to qualified businesses that are interested in migrating from an existing legacy Nortel or Norstar installed base telephone system to Avaya IP Office.

The Avaya IP Office solution fills the gap between yesterday's circuit switched PBX's and Key Systems and the IP-only solutions of tomorrow, by meeting the total communications needs of small-to-medium sized businesses.

### Did You Know?

Nortel Norstar 3x8, CICS, MICS, and Call Pilot 100/150 products have been discontinued.

*It's time to upgrade to Avaya IP Office!*

## Experience Counts. Choose Cabco.

Cabco's team of telecommunications experts will help you integrate your business telephone system with the rest of your communications network. Our full range of capabilities from cabling to equipment installation, training to post-sale support makes Cabco the right choice.
